

Seed Resource List

Hart's Seeds – located in Connecticut, seed is available in sets of 100 assorted packets. The packets include a mixture of unsold seed from previous year. There is a charge of \$19.95 for shipping and handling of the first 100 packets. (\$5.00 per additional set of 100 seed packets) Photos of before and after your growing project are requested to show how the seed is being used. Not all seed is organic, but none is produced through genetic engineering.
